**SPIRITUALITY CENTER**

### Vision and Ministry

The Archdiocesan Spirituality Center is committed to nurturing the spiritual growth of the clergy, religious and laity of the Archdiocese of New Orleans.

The Center is dedicated to the ministry of spiritual direction as a means of encouraging this spiritual growth.

SPIRITUAL DIRECTION is for a person who wants to be more aware of God in their daily life and to deepen their prayer.

The Center carries out its ministry by:

- ❖ Individual Spiritual direction
- ❖ Group Spiritual direction
- ❖ Training of Spiritual Directors
- ❖ Training of Faith Companions
- ❖ Supervision and on-going formation for spiritual directors
- ❖ Parish weeks of directed prayer
- ❖ Seminars, workshops and lectures for spiritual growth

We appreciate support from the community in helping us carry out our important mission of helping people to deepen their prayer life and to address their spiritual needs.

Thank you
